

Dear Parents,

We are delighted to take this opportunity to celebrate the remarkable achievements of our students in the Narrabeen Elanora Student and Teacher Collaboration (The NEST). As we reflect on the past year, we are proud to announce that your child has successfully completed not one, but three exhilarating HPGE Enrichment courses within The NEST.

### Learn to Fly

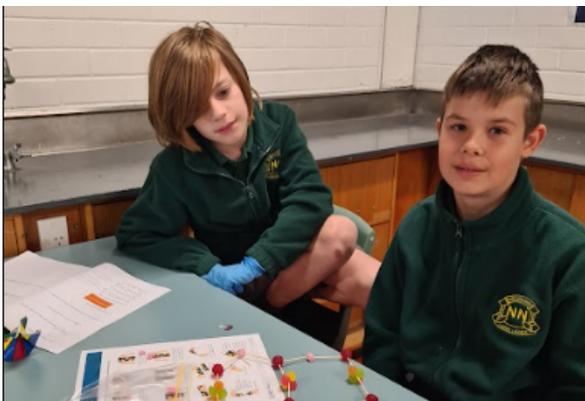

In 2022, our young learners embarked on a captivating journey through the skies in the **"Learn to Fly"** course. Guided by Ms Karen Reid and the talented staff and student mentors from Narrabeen Sports High School, they developed essential skills in operating drones and explored the various applications of this technology in society. Through hands-on experiences and real-life scenarios, our students soared to new heights, gaining valuable knowledge and practical expertise.

## Crack the Case

Building upon their newfound skills, our young detectives delved into the thrilling world of forensics in the "Crack the Case" course. Led by Ms Ashleigh Carter and experts in the field, our students learned the art of observation, critical thinking, and problem-solving. They honed their detective skills, analysing clues and piecing together evidence to solve intricate mysteries. It was an unforgettable experience that sparked their curiosity and nurtured their analytical minds.

We couldn't be prouder of our students' accomplishments and their commitment to their educational journey within The NEST. Their enthusiasm, dedication, and growth have been truly inspiring. These courses have provided them with unique opportunities to expand their horizons, cultivate their talents, and develop essential skills for their future endeavours.

As we celebrate their achievements, we also extend our gratitude to our exceptional educators and the dedicated team of teacher representatives who have made The NEST a reality. Their unwavering support and innovative approach have created an environment where our students can thrive and reach their full potential.

We particularly enjoyed sharing their remarkable accomplishments with you at each of our showcase events, where our students had the opportunity to demonstrate their knowledge and skills.

Thank you for your continued support and trust in The NEST. Together, we will continue to nurture and inspire our students, empowering them to become lifelong learners and contributing members of our community.

Warmest regards,

***The Narrabeen Elanora Student Teacher (NEST) Collaboration Team***
