

EHPS UNIFORMS

The Uniform Shop is run by the P&C as a service to parents to make purchasing the Uniform easy. **All** items that make up our School Uniform are available to purchase from the Uniform Shop. (Boys grey socks, white sport socks and girls navy winter tights may be purchased elsewhere if preferred as standard items) Mark ups are kept to a bare minimum, with some items selling close to cost with the focus on a quality uniform being offered. All profits go straight into P&C funds.

Purchasing Uniforms

You may purchase in store (during non-Covid times) Mondays and Thursdays 8.15am to 10.45am, via email (download order form from School Website), fill in a form available from the office and return it to the office or call 9913 7283 during opening hours.

Second-hand Uniforms are available to purchase through Bec Moreno.

Download the order form from the school website, under P&C/Uniforms. She can be contacted via email becmoreno@live.com.au **Please include your child's name and class.**

Due to the Uniform changes stock levels of new items are fairly low and a lot of the old uniform items have now been moved on. All donations of second hand uniforms purchased in the Uniform Shop would be gratefully accepted.

Payment is cash only.

Refunds and Exchanges can be given within two weeks of purchase **with a receipt** (or date of purchase) only and with items in their **original packaging with tags attached.**

Sizing

All clothing items come in child sizes 4, 6, 8, 10, 12, 14 and 16. Sock sizes go by shoe sizing. Sizes 5-8, 9-12, 13-3, 2-8 and 7-11. Hats are Small/Medium, Medium/Large and Large/Extra Large. Winter tights are by age 4-6, 7-9, 10-12 years and Small Ladies.

Washing

Please wash according to the instructions. Many items should not be tumble dried such as the School Polos, Jackets and socks. Pacing items with zippers in the dryer may affect the zipper. The socks are cotton and may shrink. No item of the Uniform needs ironing. Once the original package creases are removed, a good shake and hang up to dry should be all that is required. This includes the Winter Blouses and Shirts.

Labelling/Lost Property

Please label all Uniform items but in particular hats and jackets. Every class has a tub allocated for lost property so best to have your child check there first when something goes missing.

UNIFORMS

Summer Uniform
