

# JOINING A GOOGLE CLASSROOM AT HOME

1. On your internet server, type in the URL- <https://classroom.google.com/>
2. Click on the  icon.
3. Type in child's username e.g. *john.smith3* followed by *@education.nsw.gov.au*  
(Please note: Some children with common names will have a number after their username as per the example)
4. Click on the  icon.
5. You will then be directed to a 'Login with your DoE Account' tab. Students will need to login as if they are logging in to a computer at school. The username is just their first and last name with a dot in the middle, and potentially followed with a number, if they have a common name.
6. Students will then need to enter their password.
7. A 'Conditions of Use' tab will then appear. If students accept the conditions of use, click the  icon.
8. A 'Welcome to your new account' tab will then appear. Read over the information and if you agree, click the  icon.
9. A green 'Google Classroom' tab will then appear. Check that your name is correct and then click the  icon.
10. Once in Google Classroom, click the 'I'M A STUDENT' icon.

11. Up the top right of your screen, you will see a + symbol. Click on the symbol to join your Google Classroom.

12. You will then need to type in your Class Code.

13. Finally, press the **Join** icon.
