

# School Song

Down the track we come each morning  
Proudly wearing blue and grey  
We will strive to help each other  
In our work and in our play

Elanora, Elanora, set in the hills of Narrabeen  
Elanora, Elanora, our school in the bushland green.

As we grow and learn together  
We will try to understand  
People of Earth's many nations  
And spread peace throughout the land

Elanora, Elanora, set in the hills of Narrabeen  
Elanora, Elanora, our school in the bushland green.
